IBD MASTERCLASS 2025

PRESIDENT MESSAGE

Prof. Majid Al Madi

Professor of Medicine, Consultant Gastroenterologist
President of the Saudi Gastroenterology Association, King Saud University
Riyadh, Saudi Arabia.

Dear esteemed attendees,

It is my great pleasure to welcome you all to the upcoming IBD Masterclass, which will be held in Riyadh from the 12th to the 13th of September, 2025. As the President of the Saudi Gastroenterology Association, it is an honor to host this prestigious event, which will bring together experts and professionals in the field of inflammatory bowel disease (IBD) from all over the world.

This Masterclass will provide an excellent opportunity for us to learn from leading experts in the field, exchange knowledge and best practices, and engage in stimulating discussions and debates on the latest advancements and challenges in the management of IBD. With a range of keynote speeches, workshops, and interactive sessions, this event promises to be a truly enriching and rewarding experience for all attendees.

I encourage all participants to take full advantage of this unique opportunity to network and collaborate with fellow professionals, and to gain new insights and perspectives that will contribute to the advancement of our field. I also extend my thanks to the organizers and sponsors of this event, whose dedication and hard work have made this Masterclass possible.

Once again, I welcome you all to Riyadh and look forward to a successful and productive IBD Masterclass.

Sincerely,

Prof. Majid Al Madi
President, Saudi Gastroenterology Association

ORGANIZING COMMITTEE

Prof. Majid AlMadi

Professor of Medicine and
Gastroenterology at King
Saud University

Prof. Nahla Azzam

Professor of Internal Medicine
and Gastroenterology at King
Saud University

Dr. Othman AlHarbi

Associate professor &
consultant Gastroenterology
at King Saud University

Prof. Mahmoud Mosli

Professor of medicine, Consultant
Gastroenterologist, Department
of Internal Medicine, King
Abdulaziz University

12th - 13th September 2025

Riyadh, InterContinental Buraidah Hall

SCIENTIFIC COMMITTEE

Dr. Badr Al-Bawardy, M.D.

Consultant Gastroenterologist,
Department of Internal Medicine, Division
of Gastroenterology and Hepatology
King Faisal Specialist Hospital and
Research Center, Riyadh

Dr. Eman Saeed Al Sulais

Consultant gastroenterologist,
Inflammatory Bowel Disease and
Intestinal Rehabilitation Specialist at
King Fahad Specialist
Hospital-Dammam

IBD MASTERCLASS 2025

DAY 1
FRIDAY
12 SEPTEMBER
2025

Time	Topic	Speaker
Session1		
Chairpersons: Prof. Yousef Qari, Dr. Othman AlHarbi, Prof. Muneera AlMohannadi		
13:00-13:20	IBD in the Middle East- Progress and Challenges	Dr. Badr Al Bawardy
13:20-13:40	Mild Crohn's Disease	Dr. Abdulelah Al Mutairdi
13:40-14:20	Debate Thiopurines for UC Yay vs. Nay	Prof. Ala' Sharara vs Dr. Maan Alkhattabi
14:20-14:40	IBD Therapies in 2025-What's New? And what's on the horizon?	Prof. Vipul Jairath
14:40-15:00	Q&A	
15:00-15:40	Takeda Satellite Symposium Chairperson: Dr. Turki Al Ameel 3Ps in CD: Where smart tools meet personalization	Prof. Mahmoud Mosli & Dr. Badr Al Bawardy
15:40-15:55	Break	
Session2		
Chairpersons: Dr. Mohamed Khorshid, Dr. Mohammad Malik, Dr. Karim Qumsani		
15:55-16:25	Tandem talk Monitoring in IBD-Role of Biomarkers, IUS and Endoscopy	Dr. Heba AlFarhan + Prof. Nahla Azzam
16:25-17:05	Johnson & Johnson Satellite Symposium Chairperson: Dr. Turki Al Ameel Healing Is Possible: Going Beyond in Crohn's Disease	Dr. Badr Al Bawardy
17:05-17:25	Treat-to-Clear in Ulcerative Colitis- Are we there yet?	Prof. Vipul Jairath
17:25-18:05	Abbvie Satellite Symposium Chairperson: Prof. Mahmoud Mosli The Power of Choice: Where IL-23i Transforms Practice in UC	Dr. Nikolas Plevris
18:05-18:15	Q&A	
18:15-18:45	Break	
18:45-19:15	Case presentation and panel discussion Management of Colonic Dysplasia GI Presenter: Dr. Mashary Attamimi Panel (GI, CRS, Pathology): Dr. Yaser Meeralam, Dr. Shakir Bakkari, Dr. Khayal AlKhayal, Dr. Mohammed Alsomali (pathology)	
19:15-19:45	Case presentation and panel discussion IBD and Spondyloarthropathies GI Presenter: (GI and Rheumatology): Dr. Khalid AlNafissah Panel: Dr. Mansour AlTuwaijri, Dr. Khalid AlAji, Dr. Mohammad Al Ahmari, Dr. Manal Alnasser (Rheumatology)	
19:45	MoU between  & 	

IBD MASTERCLASS 2025

DAY 2
SATURDAY
13 SEPTEMBER
2025

Time	Topic	Speaker
Session3		
Chairpersons: Dr. Omar Saadah, Dr. Humoud AlGhamdi, Dr. Ahmed Alfadhli		
08:30-08:50	Nutrition in IBD- Top Myths and Mistakes	Dr. Ahmad Al Ghamdi
08:50-09:10	Switching from IV to SQ Formulations- Top Myths and Mistakes	Dr. Turki Al Ameel
09:10-09:30	Pouchitis-Top Myths and Mistakes	Dr. Mariam Mokhtar
09:30-09:50	Management of IBD with Concurrent Infection- Myths and Mistakes	Dr. Danah Alessa
09:50-10:10	Q&A	
10:10-10:30 Break		
Session4		
Chairpersons: Dr. Mohammad Khan, Dr. Fatimah Alalawi, Dr. Hammad Alothmani		
10:30-10:50	Guideline Talk	Prof. Mahmoud Mosli
10:50-11:10	Artificial Intelligence in IBD- Where are we and where are heading?	Prof. Vipul Jairath
11:10-11:40	Tandem talk Perianal CD	Dr. Mohammad Shehab + Dr. Thamer A. Bin Traiki (CRS)
11:40-12:00	Biosimilars latest updates	Dr. Bashaar AL Ibrahim
12:00-12:10	Q&A	
12:10-13:20 Break		
13:20-14:00	Case presentation and panel discussion Acute Severe UC (outpatient anti-TNF exposure) GI Presenter: Dr. Dimah Alaskar Panel (GI and CRS): Dr. Meshaal Alshowaier, Prof. Ala' Sharara, Dr. Saleh Aldraiwesh, Dr. Fahad AlBogami, Dr. Faisal Alrashed (CRS)	
14:00-14:40	Case presentation and panel discussion Post-op Crohn's disease (exposed to anti-TNF) GI Presenter: Dr. Mohammed AlBeshar Panel: Dr. Bashar Ibrahim, Prof. Ala' Sharara, Dr. Thamer A. Bin Traiki (CRS)	
14:40-14:50	Q&A	
Closing remarks & Lunch

SPEAKERS BIO

Dr. Heba AlFarhan

Biography:

Dr. Heba AlFarhan, is a Consultant Gastroenterologist and Hepatologist, specializing in Advanced Inflammatory Bowel Disease (IBD), at Thunayan Al Ghanim Gastroenterology Center, Al Amiri Hospital in Kuwait. She is President of the Kuwaiti Gastroenterology Association and Executive Board Member and President of the Communication Committee at the International Bowel Ultrasound Group (IBUS). Dr. Al Farhan completed her IBD fellowship at the University of Calgary, Canada, with advanced training in bowel ultrasound. She holds board certifications from KIMS (Kuwait), the Saudi Board, and MRCP-UK. An accredited trainer in bowel ultrasound, she has multiple international publications emphasizing the role of point-of-care ultrasound in IBD management, contributing significantly to advancing diagnostic tools in gastroenterology.

Dr. Ahmad Al Ghamdi

Biography:

Dr. Ahmed AlGhamdi is a distinguished gastroenterologist and hepatologist whose educational journey includes an MBBS from King Abdul Aziz University in 2007, a Saudi Board in Internal Medicine in 2012, a Saudi Fellowship in Gastroenterology and Hepatology in 2015, a Canadian Clinical Fellowship in Inflammatory Bowel Disease in 2018, and a Fellowship in Epidemiology and Biostatistics in 2024. Dr. Al Ghamdi has many published papers in distinguished medical journals covering topics in gastroenterology, hepatology, and IBD. He has spoken at numerous conferences, locally and internationally, sharing insights and expertise on various topics.

Prof. Mahmoud Mosli

Biography:

Prof. Mahmoud Mosli is a Professor of Medicine and Consultant Gastroenterologist at King Abdulaziz University Hospital in Jeddah, specializing in Inflammatory Bowel Disease (IBD). He completed his internal medicine residency and gastroenterology fellowship at the University of Western Ontario (UWO), Canada, followed by an advanced clinical IBD fellowship at UWO. He earned a Master's in Epidemiology and Biostatistics from McGill University, Canada, and completed an IBD Clinical Trials Fellowship at the Robarts Research Institute.

With over 70 publications, Dr. Mosli is an Associate Editor for the Saudi Journal of Gastroenterology and the IBD Cochrane Collaboration Group. He has extensive experience in IBD clinical care, research, and trial design, contributing to global advancements in outcome measures and treatment strategies.

Dr. Badr Al Bawardy

Biography:

Dr. Badr Al Bawardy is the Deputy Executive Director of the Medicine Center of Excellence, Director of the Inflammatory Bowel Disease Program, and Consultant Gastroenterologist at King Faisal Specialist Hospital and Research Center.

He is also an Assistant Professor of Medicine at Yale University, specializing in IBD. Dr. Al Bawardy earned his M.D. with distinction from George Washington University, followed by residency, gastroenterology, and IBD fellowships at the Mayo Clinic in Rochester, Minnesota.

His clinical expertise lies in the comprehensive care of patients with IBD. His research interests focus on clinical outcomes, therapeutic drug monitoring, and medical education.

Dr. Al Bawardy is recognized for his leadership in advancing IBD care and contributing to academic medicine both locally and internationally.

Dr. Maan Alkhattabi

Biography:

Dr. Ma'an AlKhttabi is an Assistant Professor at King Abdulaziz University, Rabigh Campus, and a Consultant in Gastroenterology and Inflammatory Bowel Disease (IBD) at Alsalama Hospital in Jeddah, Saudi Arabia. With a strong academic and clinical background,

Dr. AlKhttabi is dedicated to advancing the understanding and management of IBD. He actively engages in medical education, training future healthcare professionals while providing specialized care to patients with gastrointestinal disorders.

Dr. AlKhttabi is involved in both local and regional GI initiatives and has participated in various scientific forums. His commitment to evidence-based practice and academic excellence has positioned him as a respected figure in the field of gastroenterology and a key contributor to IBD care in the region.

Dr. Mariam Mokhtar

Biography:

Dr. Mariam Mokhtar is an Assistant Professor at King Abdulaziz University Hospital in Jeddah and a Consultant Gastroenterologist specializing in Inflammatory Bowel Disease (IBD). She completed her internal medicine and gastroenterology training at the University of Toronto, Canada, and holds the American Board of Internal Medicine certification.

Dr. Mukhtar further advanced her expertise through a clinical IBD fellowship at St. Mark's Academic Institute and National Bowel Center in London, UK, one of the world's leading IBD referral centers. Dedicated to patient care, research, and medical education, she actively contributes to the advancement of IBD management in Saudi Arabia. Her work bridges international expertise with local health-care needs, enhancing outcomes for patients with complex gastrointestinal conditions.

Prof. Ala' Sharara

Biography:

Prof. Ala' Sharara is Professor of Medicine at the American University of Beirut Medical Center (AUBMC) and former Chief of the Division of Gastroenterology (2002–2017). He is also a Consulting Professor at Duke University, USA. Board-certified in Internal Medicine and Gastroenterology, he is a fellow of the ACG, AGA, and the Royal College of Physicians (London).

Prof. Sharara has authored over 160 peer-reviewed publications and serves on editorial boards of major GI journals. He coordinates the IBD Interest Group of the Lebanese Society of Gastroenterology and is a member of several global GI societies. A frequent speaker at international conferences, his research focuses on H. pylori, IBD, viral hepatitis, GERD, colonoscopy quality, and CRC screening.

Dr. Mohammad Shehab

Biography:

Dr. Mohammad Shehab is a Consultant Gastroenterologist at Haya Alhabib GI Center in Kuwait and Secretary General of the Kuwait Gastroenterology Association. He earned his medical degree from University College Cork in Ireland, followed by internal medicine residency training at the University of Toronto, Canada. He then completed his gastroenterology fellowship and advanced training at McGill University, Canada, where he currently serves as the IBD Fellowship Research Supervisor. Dr. Shehab's expertise spans the full spectrum of gastroenterology, with a special focus on Inflammatory Bowel Disease (IBD). Actively involved in research, education, and professional leadership, he contributes to advancing clinical care and training the next generation of gastroenterologists both locally and internationally.

Dr. Turki Al Ameel

Biography:

Dr. Turki AlAmeel is a Consultant Gastroenterologist at King Fahad Specialist Hospital in Dammam, Saudi Arabia. A graduate of King Saud University in Riyadh, he completed his internal medicine residency in Canada, followed by gastroenterology training at Western University and an advanced fellowship at the University of Alberta. In addition to his general gastroenterology practice, Dr. AlAmeel has a special interest in Inflammatory Bowel Disease (IBD).

He serves as a Board Member of the Saudi Gastroenterology Association and is a former Associate Editor of the Saudi Journal of Gastroenterology.

Dr. AlAmeel has authored several peer-reviewed publications in gastroenterology and IBD, contributing to advancing clinical care and research in the field.

Prof . Nahla Azzam

Biography:

Prof. Nahla Azzam is a Professor, Consultant Gastroenterologist and Hepatologist, and IBD Specialist at the Gastroenterology Division, Department of Medicine, King Khalid University Hospital in Riyadh. She is also the Associate Director for Assessment at the Postgraduate Medical Education Center of KSU.

Actively involved in national medical initiatives, she is a Board Member of the Local GI Examinations Committee under the Saudi Commission for Health Specialties (SCFHS) and currently serves as Treasurer of the Saudi Gastroenterology Association. Her leadership and dedication have made significant contributions to gastroenterology education, research, and clinical excellence in Saudi Arabia.

Prof. Vipul Jairath

Biography:

Prof. Vipul Jairath, MBChB, DPhil, is Professor of Medicine, Epidemiology, and Biostatistics at Western University in Canada, where he also holds the McDonald Endowed Chair in Inflammatory Bowel Disease (IBD) Clinical Research.

He leads the IBD service and fellowship program at London Health Sciences Centre and is internationally recognized for his expertise in clinical trial design and therapeutic innovation.

His research has advanced outcome measures now widely used in IBD trials.

As Chief Medical Officer at Alimentiv (formerly Robarts Clinical Trials, Western University), Dr. Jairath oversees global research and development strategies, working with academic investigators, biotech companies, and pharmaceutical partners.

His leadership continues to shape the future of IBD treatment and improve the quality of care for patients worldwide.

Dr. Abdulelah Al Mutairdi

Biography:

Dr. Abdulelah Al Mutairdi achieved his MBBS degree in 2008 at King Saud University, Riyadh, and graduated with Second Honors in his batch. He completed his Medical Residency and Gastroenterology and Hepatology Fellowship in Riyadh, KSA. Has had completed his IBD Fellowship at the University of Calgary, Alberta, Canada.

Dr. Almutairdi is an IBD specialist and the current section head of the gastroenterology section at King Faisal Specialist Hospital and Research Center in Riyadh, and is affiliated as an adjunct assistant professor at Alfaisal University. He has several publications in the field of IBD and nutrition, where his interest is mainly focused.

Dr. Mashary Attamimi

Biography:

Dr. Mashary Al Tamimi is a Consultant Gastroenterologist and Inflammatory Bowel Disease (IBD) Specialist at King Faisal Specialist Hospital and Research Centre, Riyadh. He earned his MBBS from King Saud University, Riyadh, Saudi Arabia, and completed his Gastroenterology Fellowship at Western University, Canada, with advanced training in IBD. Dr. Attamimi is highly experienced in managing complex gastrointestinal diseases, particularly Crohn's disease, ulcerative colitis, and advanced endoscopic interventions. He is actively engaged in clinical research, has authored publications in peer-reviewed journals, and regularly presents at national and international conferences. Committed to improving patient care, he collaborates with multidisciplinary teams and contributes to professional medical societies, advancing the field of gastroenterology and IBD management in Saudi Arabia.

Dr. Khalid AlNafissah

Biography:

- Gastroenterology consultant in King Fahad Specialist Hospital-Buridah
- Adult GI fellowship director
- Head of medical day care unit

Dr. Thamer A. Bin Traiki

Biography:

Dr. Thamer Bin Traiki is an Associate Professor of Surgery and Head of the General Surgery Division at King Saud University Medical City, Riyadh. He is a Consultant in Colorectal and Surgical Oncology and founder of the HIPEC Center at KSUMC, a referral hub for peritoneal malignancy. Dr. Bin Traiki holds the Saudi Fellowship in General Surgery and the Australian Fellowship in Colorectal and Oncologic Surgery from the University of New South Wales.

His expertise spans general and complex surgery, including hernia repair, gallbladder surgery, pelvic floor reconstruction, and advanced anorectal procedures. He is highly skilled in minimally invasive (laparoscopic) colorectal surgery for Crohn's disease, ulcerative colitis, and cancer, as well as surgery for advanced abdominal tumors.

Dr. Bashaar AL Ibrahim

Biography:

Dr. Bashaar Al Ibrahim, MBBS, FRCPC, ABIM is a Consultant Gastroenterologist specializing in Inflammatory Bowel Disease at King Fahad Medical City, Riyadh.

He earned his MBBS from King Saud University (2007) and completed his Saudi Board of Internal Medicine at King Faisal Specialist Hospital (2014). Dr. Al Ibrahim trained extensively in Canada, completing fellowships in Gastroenterology and IBD at McMaster University and the University of Western Ontario, as well as IBD Ultrasound fellowship (2019). He holds Canadian and American Board certifications in Internal Medicine and Gastroenterology.

An active researcher and award-winning presenter, he has authored multiple publications in high-impact journals. Dr. Al Ibrahim is a member of several international gastroenterology associations and advisory boards, contributing significantly to IBD research and clinical practice.
